We always need to remember that forgiving another person is not an expression of emotion but an act of *self-discipline*. For this we can depend upon the Holy Spirit, who is a Spirit "of power, of love and of self-discipline" (2 Timothy 1:7).

Fellowship with Him can equip us for a true and blessed life, both here and in the hereafter. To have more of God, to know Him better, to receive from Him the comfort of His love and strength, to have our life filled with His – for this He invites us to enter our closet and shut the door, so to speak.

## SESSION 5: PASSION AND PURPOSE

### 1. Quotes

Settle this matter once and for all. Remember God's rule: Give Him all and He will give you all. Consecration avails nothing unless it means presenting yourself as a living sacrifice to do nothing but the will of God.

Andrew Murray (A Life of Obedience)

Your holiness is not secondary to whatever other goals you may have for your life – it is God's supreme purpose for your life. It is something He desired, planned, and made provision for before He even created the world... Do you share His goal for your life? What are you living for? From the time you put your feet on the floor in the morning till you pillow your head at night, are you consciously cooperating with Him and pursuing His eternal purpose to make you holy?

Nancy Leigh DeMoss (Holiness)

It is when you are moving in the purposes of God that everything works together for good. It is when you are moving in the purposes of God that whatever you ask the Father in the name of Jesus is done. But the secret of this entire matter is to find the task of God and fulfil it.

## SESSION 6: PERSEVERANCE AND PATIENCE

### 1. Quotes

Every God-given vision will become real if we will only have patience...While still in the light of the glory of the vision, we go right out to do things, but the vision is not yet real in us... Ever since God gave us the vision, He has been at work. He is getting us into the shape of the goal He has for us, and yet over and over again we try to escape from the Sculptor's hand in an effort to batter ourselves into the shape of our own goal...Allow the Potter to put you on His wheel and whirl you around as He desires. Then as sure as God is God and you are you, you will turn out as an exact likeness of the vision.

## SESSION 7: ATTITUDE (A)

### 1. Quotes

Motives and attitudes are of primary importance with God. God does not look at us as we look at ourselves or even as we look at one another... We just look at the outward appearance – we hear the words, we see the appearance and we form our conclusions. But the Lord looks below the surface – at a person's motive and his or her own heart attitude.

Derek Prince (The promise of provision)

God is more concerned with character than with achievements. Achievements are important only in the realm of time, but character is eternal. It determines what we will be throughout eternity.

## SESSION 8: SPIRIT OF EXCELLENCE

### 1. Quotes

Originally, in secular Greek, the word was applied to excellence in any area of life – to moulding a clay pot, steering a boat or playing a flute. Here in the New Testament also, I believe, its meaning should not be restricted solely to moral character. It covers every possible area of life.

Derek Prince (Rules of engagement)

Remember, the Spirit of the Lord is looking for a certain type of person – one whose heart is perfect toward God. Be that person of character, and God will show Himself strong in your behalf.

In our professional lives, when we show up for work on time and perform our duties with excellence, we are doing what integrity demands and thereby reinforcing what has been rooted in us.

## SESSION 11: DILIGENCE

### 1. Quotes

There is no room for sloppiness or laziness in any area of the Christian life. Very rarely, if ever, does God call a person out of failure in a secular calling to success in a spiritual calling. He who is unfaithful in the least (the secular) will be unfaithful also in the greatest (the spiritual) (see Luke 16:10).

Derek Prince (Rules of engagement)

Our Lord took His people into partnership with Himself and entrusted His work on earth entirely to their care. Their neglect would cause it to suffer. Their diligence would be His enrichment. Here we have the true basic principle of Christian service: Christ has made Himself dependent on the faithfulness of His people for the extension of His kingdom.
